

Johnson Bible College
JBC Family Scholarship

Providing a college education for one child is difficult enough for most families. Having two or more children in college can really put a strain on a family's finances. In some families at Johnson, we have a head of the household attending along with their children. The JBC Family Scholarship is provided to help these families. This scholarship is open to all Johnson students (new and current). Students must be enrolled full time.

<u>Scholarship Award</u>	<u>Amount per student</u>
